Each camper should bring a lunch and snack, and plenty of liquids; a water cooler is available throughout the day. Food and drinks may be kept cold in the camp refrigerator; a microwave is available to heat lunches.

I. June 8 - 12 II. June 29 - July 3

III. July 13 - 17 IV. July 20 - 24

Space is limited to 8 campers per week.

It is recommended that campers wishing to participate in two sessions attend either I and II or III and IV. This reduces overlap in the subject matter.
